

RECORD BOOK of ST. JOHANNES EVANGELISCHE LUTHERISCHE KIRCHE

Sandy Bay, Carlton township. Organized in 1880 the church ceased to function in 1948 when the said Record Book was taken to Two Rivers, Wisconsin, and is in the possession of the pastor of the Lutheran church in that city. The church edifice was sold to a neighboring farmer and moved to his farmstead. With the acquisition of lands by the Wisconsin Public Service Corp. upon which the Kewaunee Nuclear Power Plant is being constructed all of the farm buildings are being removed; the old church will soon be one of them. Only the cemetery remains as a reminder of the now vanished congregation.

These records go up to 1950, but to keep things private, I'll only list up to 1911.
