# SENIOR CLASS HISTORY

On August 31, 1949 thirty-four enthusiastic Freshmen took their place in the W.H.S. student body. As was customary, the Sophomore Class gave us our official welcome on September 15 with the usual initiation festivities. On October 7, 1949 we returned their favor with a Freshman-Sophomore party. Class officers were elected and we were on our way to becoming intellectuals.

In the fall of 1950 we were officially accepted as Sophomores. We found our roll-call to be three students short. They were Jack Jozwiak, Eleanor Draus, and Tony Zmuda. Later in our Sophomore year we welcomed into the fold Betty Novak and Mae Vetterkind.

Thus we became upper classmen in the year of 1951, our enrollment now being twenty-one students. Those absent from our class were Ray Oseicki, Felix Szleszinski, Orville Delano, Louis Mujwid, Wayne Noha, Marlin Johnson, Terry Mackey, Roxie Thomas, and Arlene Nelson. We were joined by Leonard Makuch.

Class officers were elected and the Junior year began. Important events during the year were the Junior Class play, "Willies' Weekend," presented November 2, and the Junior Prom (theme selected "Meet Me Tonight in Dreamland.") The reigning royalty were King, Dean Wutkiewicz; Queen, Elaine Thull; Prince, Leonard Makuch; and Princess, Mae Vetterkind.

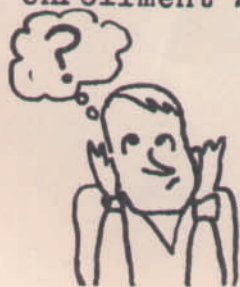

On August 25, 1952 the Senior Class of '53 became official rulers of the W.H.S. The roll-call was short George Tomczak, but he joined us later in the year along with Roxie Thomas, making the number of Seniors twenty.

Things began happening very fast. On September 2 the long awaited class rings were received. Plans were made for class pictures to be taken September 17. Next in line were plans for the annual Homecoming festivities; the date was set for September 26, 1952. The Senior Class was represented by King, Leonard Makuch; attendants, Janet Preston and Jim Kendzior, Roxie Thomas and Marvin Noha, Gerry Daniels and Dean Wutkiewicz, in the grand march and parade.

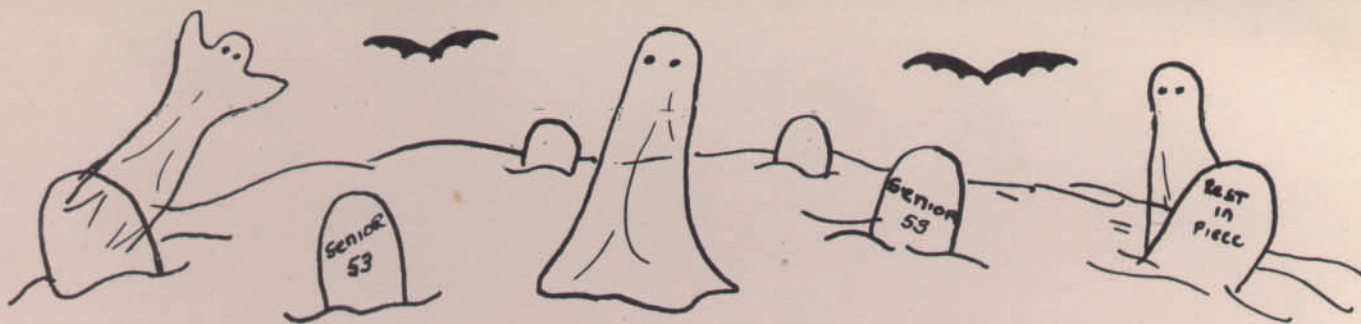

We seniors were well represented when the selection of cheerleaders was due. Elected were Janet Preston and Roxie Thomas of the Senior class.

On December 2 our class was joined by Reuben Klimeck, formerly of Medford, Wisconsin.

During the month of December Dean Wutkiewicz moved away making our enrollment 20 members.

## SENIOR CLASS WILL

The Senior Class does hereby bequeath these following valuable possessions to the said following and give this as our last will and testament.

DOROTHY BEMIS wills her oratorical ability to any and all of the upcoming "Forensic" students for future years.

SHIRLEY SWENSON wills her presiding position in the library club to someone who is also neat, courteous, and patient.

MAE VETTERKIND wills her "I'll be glad to help" attitude to those who don't like to work.

DOROTHY SWIERSZ wills her ability to have "man trouble" to Joan Lozowski.

GLORIA ROMANOWSKI wills her quietness to Diane Grzybowski.

JANET PRESTON wills her ability to be sick when there are tests to Evelyn Romanowski.

FLORENCE BURIC wills her dramatic ability to Dorothy Vobernik.

ROXIE THOMAS wills what is left of her Clear Lake boyfriends to Nancy Bentz.

GERRY DANIELS wills her position as Mr. Heuer's secretary to anyone who can qualify for the job.

CHRISTINE KOPRAS wills her straight "A" report card to Felix S.

JIM KENDZIOR wills what is left of his Cadillac pick-up truck to Jim Bednarek.

MARK VORCE wills his "Miracle Diet Formula" to Rose Draus, in the hopes that she will lose a few pounds. (Watch out so the wind doesn't blow you away, Rose!)

STANLEY KRZYZANIAK wills his football uniform to Frank Ludwikowski in the hopes that he will make a new champion football player.

MARVIN NOHA wills his rough and rowdy ways to that quiet sophomore boy who is afraid to talk, Lewis Yucker.

GEORGE TOMCZAK wills his attendance record (for the football games) to Bob Koehler.

ANTONE MUJWID wills his dancing ability to Ted Blasko. Don't let Arthur Murray see you, Ted.

ELAINE THULL wills her numerous boyfriends to Gert Phillips.

LEONARD MAKUCH wills his bar-tending position to Gilbert Hanson.

BETTY NOVAK wills her Chetek boyfriends to anyone who has the qualifications to win them.

To the JUNIOR CLASS we leave our sophistication and cooperativeness.

To the SOPHOMORE CLASS we leave all of our candy wrappers, old candy, gum, etc.

To the FRESHMAN CLASS we leave our quietness and our ability to get along with all the teachers.

To the FACULTY we leave fond memories of by-gone days, and a fund which will enable each one to have a mental examination.

CLASS

PROPHECY

## CLASS PROPHECY

In the year of 1963 the W.H.S. class of '53 made plans for its reunion. It was to be held July 10, at 8:00 P.M. Everyone was urged to come so the "happenings" over the period of ten years could be compared, analyzed, and discussed.

The day came—the hour came—and only one alumni had arrived. "Would there be no more?" That was the question furthestmost in the mind of former "Boy-wonder," no other than "Professor Mark-Oh-Vorce." But Professor Vorce's question was directly supplied with an answer—up drove the latest thing in chartered buses piloted by Roxie Thomas, who has established a new speed record in commuting between Weyerhauser and Clear Lake. Out jumped former graduates Florence Buric-ick of the "Hick-up-Brewers" and Elaine Thull, original perfume manufacturer, reeking of her latest discovery "Kassela's Creek No. 8." Arriving next was the former Dorothy Bemis, now known as "Mrs. Smarty Irwin," president of the "Woodstock sleep" tested beds. With her was Dorothy (Bouncing-girl) Swiersz, the official tester!! She jumps on them and, if they hold Dorothy, they'll hold--you, too!! Say, did you notice that sweet little blonde with the knitting basket: That's Shirley Swenson, another of the happily married girls. Shirley lives on a Montana Dude Ranch where she met former classmates Gerry Daniels, a stenographer; Christine Koprass, and Betty Novak who have become world famous for their contribution to medicine. Stanley Krzyzaniak, a "Short-Order Cook," was getting lunch ready when in came Marvin Noha, Leonard Makuch, and Antone Mujwid with fresh moonshine from their private "Still." They also own a place of monkey business entitled "The 3 Musketeers and Beers." Jim Kendzior and Janet Preston have just returned from a theatrical engagement in England where they played "Romeo and Juliet." While in England they met dancer Mae Vetterkind who is known as the "Blonde Blitz." While in England Janet and Jim happened to spy another classmate in a jet stunt plane. The pilot was that timid, quiet George Tomczak. He could be heard above the roar of the engine crooning a lullaby to a younger George.

It seems Captain Jones, the former Reuben Klimeck, has just docked his ship the U.S.S. W.H.S., and he and Gloria Romanowski, the world famed touring news reporter, are due to join us immediately.

Thus the reunion of the class of '53 took place with everyone happy and excited over the changes during the ten years time since graduation. After the reunion party, everyone went back to his respective home to again resume his "normal" life.

## CLASS HISTORY

In August of 1950, thirty-three bewildered freshman trudged their way through the doors of W.H.S. We were initiated by the mighty Sophomores, and returned the favor a few weeks later. Class officers were elected and Mr. Meyers was chosen as our advisor.

We started our Sophomore year with all members returning except James Plaskey, John Kogat, and Myrna Anderson. During the year Dick Gunn, Wilma James, Gilbert Hanson and Joyce Baxter also left us. Their loss was partly made up when John and Bob Miller, Jean Wells, and Ronald Smolly joined us. Ronald also quit before the year ended. We had an enrollment of twenty-nine when the year ended.

In September 1951 we initiated the freshmen. Mr. Schwellanbach was elected as our advisor.

In the fall of 1952 twenty-nine of us returned to W.H.S. Felix Syleski joined us at the beginning of the year. We lost Carl Mortenson, and gained another member, Darrell Keller, which made us thirty. Mr. Wood became our advisor.

## CLASS HISTORY

On August 28, 1951, the doors of Weyerhauser High were opened to 28 green and eager freshman boys and girls. All were anxious to learn new and varied information that Weyerhauser High School had to offer.

For the next few weeks we were getting acquainted with each other and on the 14th of September the Sophomores decided to take over by means of initiation. That same night, the Sophomores gave us a party in our honor, and we returned the favor on September 27th.

Bob Guthridge, Nancy Bentz, and Carl Ludwikowski left us before the school year was over. Diane and Jim Michalski joined our class later, and in the spring, Nancy Bentz came back.

We all returned, with the exception of Carl Mortenson, to Weyerhauser High on August 25, 1952. Beverly Barth is our only new member, bringing the total class membership up to 34 students.

We initiated the Freshman on October 1st, and gave them a party that night. They returned the favor on October 9th.

We were initiated by the sophomore class on October 1, and we reciprocated with a return party on October 9.

We all worked hard to get our float ready for Homecoming. It was made to look like a locomotive, and won first prize for being the "most humorous."
