<u>Notes for Friederike WILHELMINA:</u>			
The information on Wilhelmina came from the Obituary Book of St John's Evangelical Lutheran Church, Maribel, Wisconsin. The records state that they had eleven children, of whom five survive. She emigrated in 1861 with her son Wilhelm. She had been ill for a number of years and in addition became afflicted with dropsy.			
There are two stones flat in the ground next to Wilhelmina but the inscriptions are illegible.
