In a last ditch effort to locate Christian Kaiser, I checked the Census records in Wisconsin and found this information. I have listed in the family records Christian's birthdate as 23 Sept 1833, and the 1900 Census record lists Sept. 1833 as the birth date of this Christian Kaiser, therefore, I believe this is our missing Christian Kaiser. The 1870 record is very difficult to read, and the dates are near illegible, but this too, I believe is the family of Christian Kaiser, long "lost" brother/half-brother. Patti Laessig
